

Do the saints in your city want to address racism in a way that honors Jesus, and sets an example for society around us? Would you like a way to unite the Body of Christ for prayer in your city? Would you like to connect with other saints around America to stand against anti-semitism in a way that amplifies your voice internationally?

We believe the Holocaust provides a clear picture of what can happen when God's people remain silent in the face of evil. But what can be accomplished if we don't start with prayer?
2 Chron 7:14

Sunday April 23, 2017 **March of Remembrance** is again a *connecting point* for Christians to stand together all across the world in prayer and public remembrance of the Holocaust.

MARCH OF REMEMBRANCE

April 23, 2017

March of Remembrance

is a Christian prayer walk held
annually in dozens of cities of
America and worldwide to
observe Yom HaShoah

The **March of Life** began when children of Nazi perpetrators received a word during a prayer meeting about the silence of their fathers. Led by Pastor Jobst Bittner & TOS Church of Tubingen Germany in late 2006, they began organizing prayer marches along the paths of former death marches; uniting Christians for national campaigns in West & East Germany, Ukraine, Latvia, Lithuania, Poland, Austria, & Hungary to stand against the anti-semitism of their fathers, and to break the silent indifference towards Jews in these respective nations today.

In 2009, the first annual **March of Remembrance** was held in Dallas TX and it has since become *a connecting point* for people in cities of the USA who wish to observe Yom HaShoah (Day of Holocaust Remembrance) with public prayer walks, and provide a platform for Holocaust survivors to give public testimonies.

The **Israeli Knesset & Helping Hand Coalition** recognized the **March of Life & March of Remembrance** in November 2011 and in February 2015 with a “*Friend of Israel*” award.

In 2018, March of Remembrance invites YOU to celebrate modern Israel’s 70th birthday with **March of the Nations** up to Jerusalem!
